"It was impossible for me to get employment, as my face, head, and body were covered with it. The eczema first appeared on the top of my head, and it had worked all the way around down the back of my neck and around to my throat, down my body and around the hips. It itched so I would be obliged to scratch it,

and the flesh was raw.

"I would first wash the affected parts with warm water and Cuticura Sonp, and then apply Cuticura Ointment and let it remain on all night, and in the morning I would use Cuticura Sonp. Soap. I am now all well, which all my friends can testify to, and I will be pleased to recommend the Cuticura Remedies to any and all persons who

The inspector, with a military escort, The train from Barre last evening upon arriving at the cathedral, was surprised to and that his entry was not resisted, but he was no sooner inside than the door was shut and fastened outside. The inspector had hardly time to speculate upon the meaning of this before he saw the bears hastily shuffling down the centre aisle to investigate the newcomers. Thereupon the men frantically tried to reopen the door, amid the derisive laughter of those outside.

Realizing that he was trapped, the inspector climbed the nearest confessional, while the soldiers ran helter skelter in every direction, seeking refuge They found refuge in the side chapels and the townspeople then negotiated with the inspector through a window and obtained a very ready promise that he would quit if he were released.
